O2CHAIR®

BREATHE BETTER, LIVE BETTER

Breathe in...

*The perfect
respiratory movement*

The integrated table guides you through breathing exercises for optimal oxygenation and better stress management.

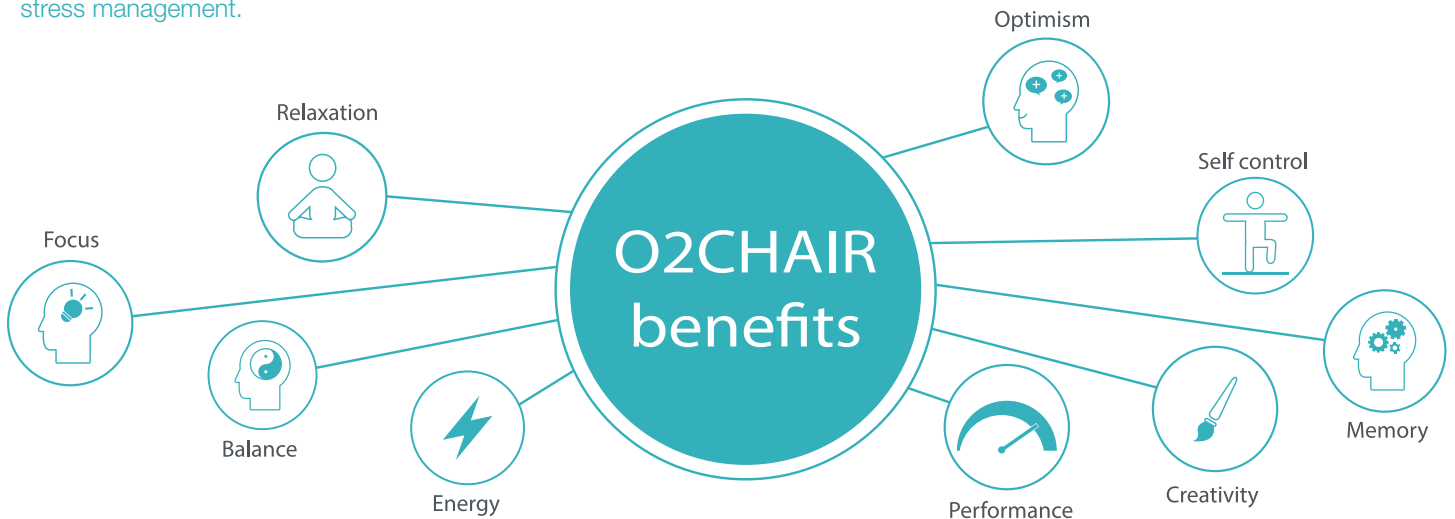

The unique, patented design of the chair triggers and supports an optimal inhalation that starts at the abdomen level and continues up to the rib cage level

- ☛ Increases the amount of inhaled air
- ☛ Increases the supply of oxygen to the brain and body

Breathe out...

When the user breathes out, the back of the user lightly sinks into the chair providing a comforting feeling of relaxation and bringing:

- ☛ A better release of CO₂
- ☛ A sensation of peace and relaxation

Power Nap
